LONDON--Leyshon **Energy** Ltd. (LEN.LN) said Monday it plans to expand the scope of the testing program on its Zijinshan Gas Project and said it is in talks over buying **oil** and gas assets in **China**.

MAIN FACTS:

TD

-Will increase the number of flow tests, testing 3+ zones in Well ZJS7, not one as previously planned

-Depending on results, plans to drill and flow-test a further well, ZJS8, in the northern part of the license area

-Program to start shortly; will be completed by end-October at cost of up to \$4 **million** excluding overhead and supervision costs

-Technical team continues to be strengthened with the appointments of Frank Fan as **Operations** manager and Lyn Liu as Reservoir Engineer

-**Acquisition** of **oil** and gas assets in **China**: discussions are in hand but won't necessarily **lead** to a transaction

-Shares at 0723 GMT up 7.7%.
