Biography

Russell Williams

Mr. Williams spent 30 years with Alcoa Inc., the world's largest integrated **alumina** and aluminium producer. Trained as a mechanical engineer at the University of Manchester, he has worked in a range of roles from power generation to engineering, maintenance and human resources.

During his time at Alcoa he managed the **company's** West Australian bauxite **mining operations** and later had oversight of all of Alcoa's global **mining** activities in Brazil, Jamaica and Suriname. In his final years with Alcoa, Mr. Williams was based in Pittsburgh and was responsible for all activity at the Alcoa JV in Guinea, **Company** Bauxite de Guinee (CBG), the third largest export bauxite producer in the world. On his return to Australia he spent the majority of his time working on Alcoa projects in **China** and other Asian countries.
