CHINCHILLA

BUSINESS confidence in **Chinchilla** has been bolstered after Queensland Gas Corporation **purchased** a sizeable stake in the Surat Basin Industrial **Park**.

TD

The substantial investment in the **estate** is the latest in a line of **transactions** involving energy **company** divisions and service providers in recent months.

Surat Basin **Property Group** CEO Jason van Hooft said the QGC decision to invest heavily in **Chinchilla** was a major vote of confidence for the area.

"The **site** they have **purchased** is at the entry to the industrial **estate** and involves three lots with a total area of approximately two hectares," he said.

"The **site** is suitable for a large industrial building, storage facilities and a hard stand and we believe QGC is looking at its options and plans currently.

"The centre will provide a base from which they service all their Surat Basin gas operations."
