Saw something interesting and its left me wondering. A learner was towing a boat and although he had an L plate displayed on the back of the car there was nothing on the back of the boat! Was the learner within his rights or should he have had to display the L plate on the boat as well? Jeannie Kelso Bea WE - I too was surprised and so were two lollipop ladies, to see someone cycle straight through the zebra crossing on gulliver st. They think they own the road. Muz kwn If the LNP want to sell assets then sell the huge golden trough the pollies have their snouts in. What a windfall. M J R Mt Louisa Ajith, unfortunately a certain percentage of ATV drivers have, by acting irresponsibly, cruelled it for the rest. Police have to act to try and stop accidents and complaints. KW Alice River The only people who think the solar rebate is stupid are those who don't receive it! Ags C'jong Thank God for a bit off the electricity bills, a good win for us in the North.
