I love My Kitchen Rules and no other cooking show with their timeslot comes near it ... but for crying out loud 'yeahh' can that other Irish chef stop trying to take over the show 'yeaah'. It's what has made MKR such a good show. It's about the contestants and their personalities that make, not having to shove these 'big name' chefs take over ... spaceman northward I'm but a chick with an opinion about 'my' local women's centre so I hope I get a say as many other wmn feel the same. All females who genuinely need help should be entitled to food vouchers n financial assistance but sadly it appears most goes to the same sorts who spend their money on grog or drugs then wander in each week (often leaving agro drunk men outside the centre) as they abuse funds that would be better given to genuinely needy women n kids! Genuine miss out time n again in my observation .. this is my opinion. I am a woman. Cass Finally got my NBN boxes connected (waiting since Nov.

TD

2013) lets hope telstra can connect by the end of the month ... Awaiting fast internet in South Tville I would like to say a huge thank you to the couple that called an ambulance for me in the early hours of Saturday morning after I come a gutza off my push bike on Dean Street. Things could have gone very bad for me if you hadn't have come back for me. I would love to have a meal with you guys one day when I can actually eat. Kim.V Rosie, Ergon has outsourced its meter reading to private contractors now and it seems that's where the price rise comes in. LNP govt wants to sell Ergon entirely, if that happens your bill will be bigger still. Check out the history of this in Victoria. Not a pretty picture. Ivy, Dgun While I agree with some of the views expressed by L R Sullivan TB 3/3/14 I do not think multiculturalism has failed completely in Australia. I am from Hungary and now an Aussie. Chinese Indians Greeks etc came to this wonderful country and assimilated. Unfortunately Islam is not compatible with our values and I cannot see the Muslim communities embracing our values and traditions. They want Sharia law to be used exclusively in their enclaves. That is not compatible with becoming an Aussie. This is the problem in Europe and that is why European leaders have stated that multiculturalism does not work. Tommy 4810 How come youi cancel insurance in kirwan no floods or trees but reinsure on the beach at bushland beach? Unhappy g kirwan Mr Dempsey: Fact: Keelty review says fire communication centre will close (per report TVL Bully 24/02/14). Fact. I am not part of UFU & once again 3 local MP's silent on the issue of cuts to local services. No mention or answer to loss of free baby capsule fitting for QAS. My msg: Stop the cuts to local services! Aaron H. 4815 Hoping that patrons to 1st Cowboys game have a better night than our last (& final) game where a g'dad with 2 kids under 10 was using 'f' & 'c' words in his abuse of ref & opposition then threatened me when I asked him to stop swearing with "if you don't like it p**s off". Another screaming at c'boys players to "rip his head off" & "break his legs". Meanwhile a 3rd threatened my wife (in her cowboy's gear) for applauding a good try by the opposition. All were over 50s. All were (redneck) cowboys supporters. All in western stands on halfway. Great sportsmanship. GC Mt Low Tribal clans, on the rise, courts & police, can't/won't handle it. Maybe, maybe not, but, how long will it b, until the community do, we as a community r fed up with all the s..t that these 'lovely' adolescents, cause. MM. Oak Valley Kate Higgins Mon We've said it b4 & will again that we feel u r under represented in the Bulletin & not just because of yr thorough understanding of attitudes & issues affecting women. But it is such a battle up here where entrenched archaic male attitudes flourish. Cyberspace is promoting a further backward slide in stereotyping & the commodification of fmls. And no-one wants women to voice the utter despair this is causing. Men can txt of 'decent women'. Our turn? Sonya Kate, TB 3/3/14 — Equal pay for women is a well known con. In days of yore, men were men and did a hard day's work for a full day's pay, loading sacks of wheat at 112 lbs or 1 cwt. In the pansy world of today, the lifting restriction is 25kg or 55 lbs, a

bludge; that is a productivity loss of 60%. Yet Kate proudly states woman are not gold diggers, then what is it when you're paying top dollar for someone who can't pull their weight? Paul Dillon, Kirwan This latest cyclone update brought to you by coles and Woolies. Please panic **buy** now. Give us a break. bill kirwan Mike Abraham, nothin a few crab pot won't fix. Jacko Kirwan Looking forward to seeing Maureen and Daryl and Co. Up at Blue Water playing their Professional style of music soon ... Jacob ... BL.Wat Is the Bully's cartoonist a Labor supporter? They all seem to contain a blatant left wing message. George Kirwan How Qld rail doesn't get fined for not covering their loads, dropping crap all through the intersections Re: Rosie currajong & Ergon bill ... How else do you expect them to pay Ian mcloud \$700,000 p/a plus bonus. Privatisation will put prices up higher and customer service will go down. Campbell Newman needs to be fired Brad Archer ... you have my vote! Patricia H.P. 4812 Brad Archer still beating his drum over separation, the petition garnered a mere handful of signatures. Give it a rest Brad. WW C/jong I hope before pool owners get charged for water going down sewerage that TCC check all pools, I have a pool and my backwash water goes around my yard not down the sewer. BL Kelso Same drama from the Dept of Meteorology again giving us landfall of the new low 4-5 days out. It was just sth of Innisfail last time, crossed just nth of Bowen, this one nth of Innisfail. For crying out loud, leave predicted landfall till 24hrs out and a clear picture. WW C/jong For politicians, "listening tour" is code for selling decisions they have already made. This time will be no different. Dave@bushybeach After decades of taxpayers feeding the bottomless pit of mismanaged Aust. manufacturing & icons, also a lot of help from militant union demands the chooks are coming home to roost. We reap what we sow. Wayne 4812 To all texters with problems with Ergon: write/text 2 Ergon. Paper readers cant help u! Del.gver To BT kirwan, I feel I really have to come to the defence of Mr Kahn here, you have the wrong end of the stick, I don't believe he is holding out for a massive payout from Stockland, he stated that where he is now residing, is his family home, which more than likely was there, before Stockland was even established on that **site**, the issue here, is sentimentality, which I can well identify with, because 55 years ago, I lost my family home, to business interests. Why do a lot of Australians only see things in monetary terms, these days? D.Bilton w/end Mr Khan, take my 4 bed 2 storey house with pool in hermit **park**, I will take your house and sell it to stockland for 1.5 mill. We will both be happy, at least me anyway, MP 4812 Mick from Ross **Island**, I know another local security **company** that tendered for 1300smiles contract. The reason they were more expensive is because they pay between \$2 & \$12/hr /guard more than the Brissy **company** working on an old EBA. 80 guards x higher rate, higher super and higher wages tax. Yes that's fair. Like to see if you feel the same when there's no local companies left and you're earning less than award?

The majority wanted Campbell Newman to fix Qld financial problems but few are happy with whatever he does. Damned if he does damned if he doesn't. Remember the alternative — Labor will bankrupt the state if they get back in "control". AK4814 KF Kelso. If that is the case, then you would think the four young kids who died in the insulation debacle should have been also under the protection of the then Govt who set it up. Ron Kelso Just wanted to say huge thank you to the family in the runabout who went out of their way to bring myself and a water filled kayak back to Bushy beach on Sunday, I had no hope of getting back to shore on my own and owe a big debt of gratitude Great win to the Fire. Watch out Bendigo we're coming to get you. Awesome game girls. Granny 4812 Way to go Townsville Fire. What an awesome game and an even tremendous result. All the best for the Grand Final. I'll even give up Sundays footy to cheers you girls on from the couch ... pb83 b'gardens Congratulations to the Fire and hope Bendigo can be downed next — go Fire we are very proud of u all. Meg. Pimlico Fire up Townsville Fire up. Grand final hear we come. Our turn to revenge the grand final. This is our year. Don Wlg Congratulations to the Fire what a great game and win. One to go, don't make me have to bare my bum again this year! Please! You can do it. Frank nth ward Now it's military tourism from the "kipper". What happened to the cruise ship market that was going to bring all the dollars to the Ville oh and don't forget the events and conferences. We don't have enough "rooms" for any increase in that market. What is TEL trying to pull here!!! My rates at work? Old fella 4810 I have come to the obvious conclusion that the roll out of the NBN will be a disaster. I had 4 people for 2 days to install it bob castle hill Can anyone tell me of any insurance options available to diabetics please. Anything at all please? Would appreciate it. Klm 4818 Oh come on Ron (Kelso), while the Newman Govt was copping heaps from the legal profession, when de Jersey wasn't being mute, he was supportive of Can't Do's policies. In Newman's own words, he is a "perfect fit". You've been around long enough Ron 2 understand "pollie talk". Pedro Cranbrook Here's a thought ... NZ feels our flags are too similar. Why not replace Union Jack on our flag with our Coat of Arms. Our cricketers kiss it on their Baggy Greens when celebrating. It is more a symbol of Australia than Union Jack, or put Union Jack in bottom corner. John N, m'burra Gorgeous day at Lake Paluma Sunday. This public road should be open 'all' the time, not by exception. TSV Council not pulling its weight for recreation or tourism OMG! What's happened to Keith Urban? He use to be 'Hot' now he is not. Connie, Kirwan A big congratulations to the Fire team. What an inspirational **group** of young women stepping up and being great role models. Go get them in Bendigo I know you can do it. Nicole 4818Twins from The Block are sore losers, don't bag Kyal & Karas beautiful bathroom, they weren't the judges, get off your pedestal. Mary 4817
