10 YEARS AGO: The Territory has an obligation to store Australia's nuclear waste, Federal CLP MP David Tollner said last night. "I think we have a national responsibility to all Australians to store it here," he said. Mr Tollner said most nuclear waste was generated by health care.

20 YEARS AGO: Nhulunbuy MLA Syd Stirling slammed Federal Administrative Services Minister Frank Walker for his refusal to help fund the clean-up of a former rocket tracking **site**, and for the office's apparent dismissal of local contractors tendering for extension work. 25 YEARS AGO: A **group** of **Hong Kong** businessmen wants to **buy** an **island** off Darwin to establish a "new **Hong Kong**". They are prepared to pay up to \$500 million. A **Chinese**-language newspaper said the **group** had already met government officials.
