[ET Net News Agency, 12 December 2014] China Communications Construction Company (CCCC)(01800) said it agreed to acquire the entire equity interests in John Holland Group Pty Ltd at AUD953.1 million.

John Holland is one of Australia's leading engineering and contracting services providers which provides services to the social-infrastructure, energy, resources, industrial, water, wastewater, marine and transport sectors. Operating across Australia, New Zealand and South East Asia, it has been delivering high-performance engineering and construction solutions for more than 65 years. There is a strong pipeline of social infrastructure projects planned in Australia, and CCCC intends to support John Holland Group, financially and technically, to bid for and deliver world-class infrastructure projects.
