Neither of these teams is a newcomer to such accolades.

RE/MAX Australia managing director Michael Davoren joined his network's sales teams from the Wide Bay region at a professional development and awards event held on October 28 at Mantra Hervey Bay.

Mr Davoren spoke of solid **company** performance across regions and RE/MAX Australia's commitment to a **Property** Fair to be held in Singapore in early 2015.

"This inaugural event will bring agents from 10 regions face-to-face to establish and cement relationships," he said.

"The appetite for Australian and New Zealand **property** remains high from the majority of Asian countries, not **China** alone.

"Strong relationships and networks across the Asia-Pacific Rim **firm** up business outcomes in all sectors including **residential** and **commercial** sales and **property** management, and project marketing; and this can most certainly be of benefit to Gladstone **property** owners," Mr Davoren said.

The RE/MAX reach through the Asia Pacific Rim encompasses 10 countries: Thailand, Indonesia, Singapore, the Philippines, Guam, South Korea, **China**, Japan, Australia and New Zealand.

The event program included special guest and presenter Marc Sorrentino, one of RE/MAX Australia's high performing sales associates, and whose marketing strategies are identified with creativity and innovation.
