Singapore Tourism Industry Outlook to 2018 (No. of pages: 25)

Dion Emerging Markets Research, 14 August 2014, 3117 words, Dion Global Solutions, (English)

Though numerically speaking, tourism segment in Singapore contributes
approximately 4% to the Gross Domestic Product (GDP) as of 2013 and supports around 160,000 jobs, its benefits are greater than what mere numbers suggest \square Numerous
