Asia Pacific 2014-2015 Forecasts: Regaining Momentum (No. of pages: 8)
Cushman & Wakefield Research (Asia Pacific), 2 July 2014, 4752 words, Sigrid Zialcita, (English)
Our moderate economic growth forecasts for Asia Pacific in 2014-2015 remain intact.
Favorable policies, and an improving global environment, continue to underpin economic growth. Leasing activity is likely to remain subdued in 2014 amidst ...
